Sresi East Molesey
Making home ownership possible

by Metropolitan Thames Valley
SO Resi is a new way of making home ownership possible for more people. You buy a share of your home, with a lower deposit, smaller mortgage and monthly payment on the rest.

SO Resi redefines shared ownership, by making everything clear and uncomplicated, so you understand how it all works at every stage, before and after you buy. Our SO Resi homeowners are important to us and we aim to build strong, lasting relationships by being here to answer your questions in language that makes sense.

SO Resi by Metropolitan Thames Valley is a member of the National Housing Federation and the g15. Together with our peers in the sector, we’re addressing the national shortage of affordable housing by building good quality homes where people want to live. We believe everyone should have access to a home and the opportunity to live well.
In the charming village of East Molesey on the southern bank of the river Thames, an attractive collection of newly built one, two and three bedroom SO Resi houses and apartments are available through shared ownership.

Located in a welcoming neighbourhood, these nine stylish modern houses and 14 light-filled, elegant apartments are perfectly located for the area’s bustling village life, beautiful river walks, sought-after schools and excellent transport links to central London.

With landscaped gardens, elegant, light-filled interiors and energy efficient features throughout, each one is a spacious and inviting home, designed for easy-going everyday living.

A collection of newly built 1, 2 & 3 bed homes
The ultra-desirable village of East Molesey is wonderfully placed just across the river from the stunning grounds, world-famous maze and historic palace buildings of Hampton Court. A quick trip to all the shopping, culture and leisure that Kingston upon Thames has to offer, it has great train links to central London too.

A relaxed and friendly atmosphere makes East Molesey the ideal place to become part of a close community, while enjoying all the sophistication of an urban lifestyle. Everything you need is close at hand, with a range of supermarkets and independent shops in the area, plus an excellent choice of schools.

When it comes to winding down, you’ll be spoilt for pretty pubs, great restaurants and riverside walks. A great place to enjoy a waterside drink and people watch, the river is a big part of life here. People visit from around the world to stroll along the banks of the Thames next to Hampton Court Palace and watch the boats passing by. Nearby Bushy Park’s stunning views and rich wildlife make it another perfect place to stretch your legs, with nature, greenery and fresh air all around. Just a short drive away is the idyllically leafy Surrey countryside, with its splendid landscaped parkland, rolling hills and appealing market towns.

East Molesey can track its past back to before the Domesday Book and in Bell Road there are some remarkable surviving medieval buildings. The Bell Inn with its wonky windows dates from the late 15th century, and in the same road the Manor House and adjoining Quillets Royal date from the 16th century.
So much to see and do

2. Kempton Park Racecourse
   The first ever race held at Kempton Park was on the 18 July 1878. Today it has a place as one of the best dual-purpose racecourses in the country, hosting quality flat and jumps racing throughout the year, with special winter events and floodlit night races too.
   14 minutes

3. Bushy Park
   Discover over a thousand acres of greenery, ancient chestnut trees and some royal deer just a short trip from your front door. Or venture off the main tracks for thriving waterways and abundant wildlife, including kestrels, kingfishers and woodpeckers.
   6 minutes

4. Kingston upon Thames
   Known as one of London’s most desirable shopping areas for its famous Bentall Centre and over 500 stores, Kingston upon Thames has so much more to offer. From its renowned Rose Theatre and 14-screen IMAX cinema to a great food market in the historic square and countless events all year round, it’s everything you want just a short bus ride – or relaxed river walk – away.

With SO Resi, you buy your own home in your own way. You start with a share that’s right for you, then you can buy extra shares over time, so it’s all manageable and suits your income.

You start by buying between 25% and 75% of your SO Resi home. That means your monthly mortgage payments and deposit are smaller than they would be if you bought your home outright. There are two other monthly payments for your SO Resi home. One is the SO Resi payment for the share of your home that Metropolitan Thames Valley owns. The other is the service charge, which pays to look after the building you live in. There are also the usual other costs, like household utility bills. You can choose to buy a bigger share of your SO Resi home in the future, and even own 100%. The bigger the share you own, the lower your Metropolitan Thames Valley payment will be.

You can sell your share at any time if you decide to move on.

We’re here to help
Whatever your needs, we’re on hand to help at every stage. First we’ll help you understand all the costs and work out what’s affordable for you. If you decide to go ahead, we’ll be there to answer your questions. And in the future, we can help you with buying a bigger share of your home, or with selling up if it’s time for a change.
